Thuringia is the green heart of Germany. The Free State of Thuringia offers good working conditions, attractive pay and good living conditions. From the centre of Germany you can quickly reach all other regions in Germany.

We are looking for you as a

plant mechanic for sanitary/heating and air-conditioning technology (m/f/d).

The employer is a modern medium-sized company with around 80 employees and a 109-year tradition. We attach great importance to training, further education and qualification. The activity lies in the assembly of supply engineering / heating, steam, warm, cold water and sanitary engineering systems as well as the new construction and reconstruction of technical systems for industrial and residential buildings and public facilities.

Your advantages:

- 25.000-40.000€/year
- 4 days-week, 39 hours/week
- Christmas bonus and profit-sharing (in addition and directly with salary payment)
- Unlimited employment contract (109 years traditional company in Suhl, one company until retirement)
- Good & fair salary (fast payment, advance option, ...)
- Overtime paid or in free time (with time account, you decide)
- High-quality work clothing (trousers, jacket, winter jacket, T-shirts, work shoes)
- Training as a technician or master craftsman with financial and time support
- Training in-house or with suppliers (e.g. Geberit)
- Company vehicles in mint condition can also be taken home with you
- kindergarten allowance

Your duties:

- Installation of irrigation and drainage lines
- Erection and assembly of supply engineering systems/ heating, steam, warm, cold water and sanitary engineering systems
- New construction and reconstruction of technical equipment for industrial and residential buildings and public facilities
- Coordination of operations
